HR Learning & Development Intern

Sep 2025 – Feb 2026

R Systems International Pvt. Ltd. | Noida, India

- **Awarded the Spot Award** (Mar 2026) for exceptional performance - the first intern at R Systems to receive this recognition.
- **Designed structured learning paths** under the “AI Learning League” initiative, enabling targeted skill development in emerging technologies.
- **Identified learning needs** and supported targeted training interventions across Cloud, DevOps, Security, and AI domains.
- **Created completion badges via Udemmy**, driving higher learner engagement and course completion rates.
- **Collaborated with stakeholders and SMEs** to curate learning content aligned with business priorities.
- **Developed training materials, decks, and knowledge-sharing content** to enhance the overall learner experience.
- **Built high-impact presentations and strategy decks** for leadership discussions, client pitches, and solution positioning.

HR Intern

May 2025 – Aug 2025

IT NOVA | Hyderabad, India

- **Supported end-to-end recruitment** — sourcing, screening, and interview coordination — contributing to a ~30% improvement in hiring efficiency and closure rate during the internship period.

- **Streamlined interview scheduling and follow-up processes**, reducing delays and accelerating candidate-to-offer conversion.
- **Supported employee onboarding and documentation**, ensuring smooth integration of new hires.
- **Maintained candidate and internal stakeholder communication**, enhancing overall candidate experience.
- **Organized HR records and administrative processes** to support day-to-day HR operations.

KEY PROJECTS Training Needs Assessment with AI Solutions

Aug 2025

HRDC, Lovely Professional University

- **Designed a multi-agent AI architecture** using Retrieval-Augmented Generation (RAG) to convert real-time signals into structured, actionable HR insight.
- **Developed specialized agents** for information retrieval, content generation, editing, and distribution within a scalable, autonomous decision workflow.
- **Integrated the system with Channel APIs and dashboards** to enable human-in-the-loop review and seamless dissemination.

Brand the Unbranded — Team Lead

Aug 2024

Lovely Professional University

- **Led a student-focused T-shirt line** from concept through launch, shaping brand positioning and go-to-market strategy.
- **Managed end-to-end operations** — sourcing, rebranding, pricing, and direct sales — generating ₹30,500 in revenue, ahead of initial targets.
